ABOUT THE CONFERENCE

Digital Transformation Conference 2022 creates an Opportunities to boost Profitability and Strategies to Maximize Efficiencies in Oil and Gas Production.

This conference brings together key players of the oil & gas industry, to probe and explore winning strategies and technologies, by means of digitalization in dealing with the current and future challenges of the upstream, midstream and downstream sector.

This event is a platform bringing the entire Oil and Gas Sector together along with IoT, AI/ML and digital solution providers to discuss the latest developments and best practices for digital transformation in the industry.

Digitalization including AI, IoT and Blockchain has made a huge impact on helping operating companies improve operational efficiency, eliminate unplanned downtime, improve safety, and reduce overall costs.

With an intense 2-days agenda, the conference seeks to expand in-depth discussions, techniques and applied knowledge along with technological challenges of oil & gas digitalization. You will gain insights from the best in the industry and make lifelong friends.

Moving forward with the success of the inaugural conference, the Oil and Gas Digital Transformation will once again hold a promising meeting place for the industry, through its interactive sessions, highlighting the latest Digital Developments in the oil and gas.

Conference Agenda Keytopics

- ★ Why is it time to **invest in digitalization** – Digital Transformation driving Industry 4.0?
- ★ Emerging Cognitive Computing, Machine Learning & AI into the oil and gas and its **impact and performance**
- ★ **Best practices and case studies** of Digital Transformation to business objectives and technology alignment
- ★ **A strategic roadmap** for E&P's to assess every operation for improving efficiency by Digital Transformation innovation
- ★ Leveraging digitalization, predictive and **optimize maintenance processes** through affordable and **effective real-time application**
- ★ **Opportunities and Challenges** in – Revolutionizing product development & maintenance

Our Session Glimps

CONFERENCE IN NUMBERS

850+
Attendees

will gather under one roof to network for 2 days

450+
Companies

from more than 65+ countries

36+
Technical Speakers

will share their insights on the latest technologies and explored digitalisation strategies

20+
Sponsors & Exhibitors

we attract some of the world's leading brands to exhibit with us

65+
Countries

talking part in this year's conference

60+
Media Partners

joined us on mission to make our event shine

Our Conference Statistics

- Government Structures
- Top Management
- Project Directors, Head of Technical Dept
- BD, Sales and Marketing
- Leading Technical Specialist

- Oil Companies
- Refineries and Petrochemical Plants
- EPC
- Service Companies
- Research Institutes

Attendee Demographics

- North America
- Middle East
- Europe
- Asia
- Others

Day 1 | Monday, Oct 3, 2022

● Sponsored Sessions ● Booked Sessions ● Reserved Sessions

Welcome Speech

10:15 AM
Opening Remarks

Lead, Technology Solutions
Canadian Natural Resources Limited

15:30 PM

Leveraging digital technology to enhance environment, safety and operational performance

Kai Eberspaecher
Chief Operating Officer
Bengal Energy

16:00 PM

Becoming an operator leveraging digital technologies to support remote operations

TESTIMONIALS AND EXPERIENCE

Thanks very much for this opportunity. I was impressed by the quality of your event. It was as well run and organized as I've ever attended.

Rafiq Khurshid | IT Specialist & Consultant

Thank you for giving us a chance to participate, it was a great experience and super organized platform.

Atheer Alatter | Lead Data Scientist

I am happy to join the great team of speakers and thanks for having me on this awesome event. Excellent teamwork. Hope be with you next time.

Vitor Do Valle | Head of Centre of Excellence

Thank you, team for the Certificate. As mentioned before, I truly appreciate the prompt communication, prep call and accommodating my change of date. I look forward to partnering with ptn events in future.

Arthi Vasudevan | Senior Product Manager

Thank you very much for your support during this event. I think that overall it went well.

Gerardo Muñoz | Product Marketing Manager

Thank you for Sharing. I should have mentioned this in my feedback; some of the best i have seen for any conference, Live or Virtual. Awesome Event!

Lennart Heip | Global Modal and Technology

We are excited to join this great event. Sign up to hear a speech from Michal Paulski on Cybersecurity during the Oil and Gas Automation & Digitalization Conference.

Michal Paulski | Senior Manager

Many thanks to you the incredible team for organizing the event. Watching for 2 days was very insightful and your team efforts to organize everyone from around the created the success.

Johnathan Finlayson | Project Logistics Director

AMONG OUR REGULAR ATTENDEES

ABOUT ORGANIZER

ptn events is a global **business events** and consulting firm that provides a wide range of business services **to a diversified client base.**

A leading organiser of commercial and knowledge based top-level conferences, managed by a group of specialists with more than a decade of combined expertise in successfully developing business events, trainings and consulting for corporates, governments, associations and high-net-worth individuals across the world.

We are known for our smooth event delivery. Our staff have been directing, producing, managing and digitising top-level conferences that connect businesses with opportunities through conferences, expos, demand generation and consulting services.

Our mission is to add value to our client's sales and marketing engagements and business development activities.

We are passionate about exceeding our customers' expectations, providing quality learning experiences, and being genuinely ahead of the curve when it comes to conference topics.
