ABOUT THE CONFERENCE

Oil and gas digital transformation conference 2023 creates an Opportunities to boost Profitability and Strategies to Maximize Efficiencies in Oil and Gas Production.

This conference brings together key players of the oil & gas industry, to probe and explore winning strategies and technologies, by means of digitalization in dealing with the current and future challenges of the upstream, midstream and downstream sector.

This event is a platform bringing the entire Oil and Gas Sector together along with IoT, AI/ML and digital solution providers to discuss the latest developments and best practices for digital transformation in the industry.

Digitalization including AI, IoT and Blockchain has made a huge impact on helping operating companies improve operational efficiency, eliminate unplanned downtime, improve safety, and reduce overall costs.

With an intense **2 days** agenda, the conference seeks to expand in-depth discussions, techniques and applied knowledge along with technological challenges of oil & gas digitalization. You will gain insights from the best in the industry and make lifelong friends.

Moving forward with the success of the inaugural conference, the Oil and Gas Automation and Digitalization will once again hold a promising meeting place for the industry, through its interactive sessions, highlighting the latest Digital Developments in the oil and gas.

Conference Agenda Keytopics

- ★ Why is it time to **invest in digitalization** – AI/ML, IoT, Big data Analytics, Wearable technologies and Cyber-security?
- ★ Emerging Digitalization technologies into the oil and gas and its **impact and performance**
- ★ Best practices and **case studies of digitalization** to business objectives and technology alignment
- ★ **A strategic roadmap** for E&P's to assess every operation and identify digital leaps for achieving specific business objective
- ★ **Leveraging digitalization**, reduce unplanned downtime and **optimize maintenance processes** through real time application
- ★ **Opportunities and Challenges** in – Robotics, Pipeline transportation, Smart refineries

Our Session Glimps

CONFERENCE IN NUMBERS

350+
Attendees

took part in Conference over the last 3 years

250+
Companies

from more than 65+ countries

24+
Technical Speakers

shared their insights on the latest technologies and explored digitalisation strategies

45+
Sponsors & Exhibitors

we attract some of the world's leading brands to exhibit with us

40+
Countries

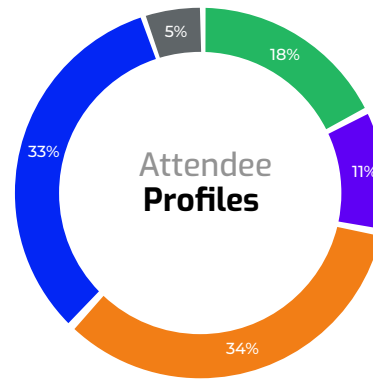

took part in Conference over the last 3 years

45+
Media Partners

joined us on mission to make our event shine

Our Conference Statistics

- Government Structures
- Top Management
- Project Directors, Head of Technical Dept
- BD, Sales and Marketing
- Leading Technical Specialist

- Oil Companies
- Refineries and Petrochemical Plants
- EPC
- Service Companies
- Research Institutes

Attendee Demographics

- North America (38%)
- Middle East (14%)
- Europe (31%)
- Asia (12%)
- Others (05%)

Attendee Seniority level breakdown

Visitors Feedback On Exhibition

rated the exhibition in terms of value addition

rated the exhibition in terms of value addition

rated the exhibition in terms of value addition

rated the exhibition in terms of value addition

Attendee Survey Report

of respondents found the event to be a valuable use of their time

of respondents agreed that the virtual event was easy to understand, access, and navigate through

of respondents attend 4 or fewer conferences a year, making digital twin conference a valuable place to connect with this audience

of respondents said they are likely to join this event next year

of respondents found the conference content & sessions to be informative and useful

of respondents would recommend attending this event to a friend or colleague

*Based on the attendee survey report from November, 2022

TESTIMONIALS AND EXPERIENCE

Thanks very much for this opportunity. I was impressed by the quality of your event. It was as well run and organized as I've ever attended.

Rafiq Khurshid | IT Specialist & Consultant

Thank you for giving us a chance to participate, it was a great experience and super organized platform.

Atheer Alatter | Lead Data Scientist

I am happy to join the great team of speakers and thanks for having me on this awesome event. Excellent teamwork. Hope be with you next time.

Vitor Do Valle | Head of Centre of Excellence

Thank you, team for the Certificate. As mentioned before, I truly appreciate the prompt communication, prep call and accommodating my change of date. I look forward to partnering with ptn events in future.

Arthi Vasudevan | Senior Product Manager

Thank you very much for your support during this event. I think that overall it went well.

Gerardo Muñoz | Product Marketing Manager

Thank you for Sharing. I should have mentioned this in my feedback; some of the best i have seen for any conference, Live or Virtual. Awesome Event!

Lennart Heip | Global Modal and Technology

We are excited to join this great event. Sign up to hear a speech from Michal Paulski on Cybersecurity during the Oil and Gas Automation & Digitalization Conference.

Michal Paulski | Senior Manager

Many thanks to you the incredible team for organizing the event. Watching for 2 days was very insightful and your team efforts to organize everyone from around the created the success.

Johnathan Finlayson | Project Logistics Director

Thank very much for the opportunity. I was sincerely impressed by the quality of your event. It was as well run and organized a conference as I've ever attended. All of the sessions i was able to attend were excellent - really informative.

Tan Miller | Director, Global Supply Chain Management Program

Oh man, some of my favorite folks in freight are the container shipping right now.

Mike Bush | Terminal Relationship Manager

It was a valuable session and great learning from Global leader, It was amazing conference, Thanks a lot.

Pankaj Gupta | Global Sourcing

We managed to be in touch with good leads. User-friendly and very professional staff all along the sponsorship journey.

Carl Lauron | Founder
